Tip or Complaint:

This place on the corner of Homesville road and hwy 421 recently lost his building to a fire this past fall 2022, he is known to do sandblasting with no building or ventilation resulting in Bad air Quality in the neighborhood, our cars and outside furniture are constantly covered in powder coating dust, and other chemicals that we may not be aware of..We are not sure what all he does there, but we know it's a mess up there and has chemicals that we're not sure he has stored correctly..Since he lost his building to a fire he has put up fencing to hide
